

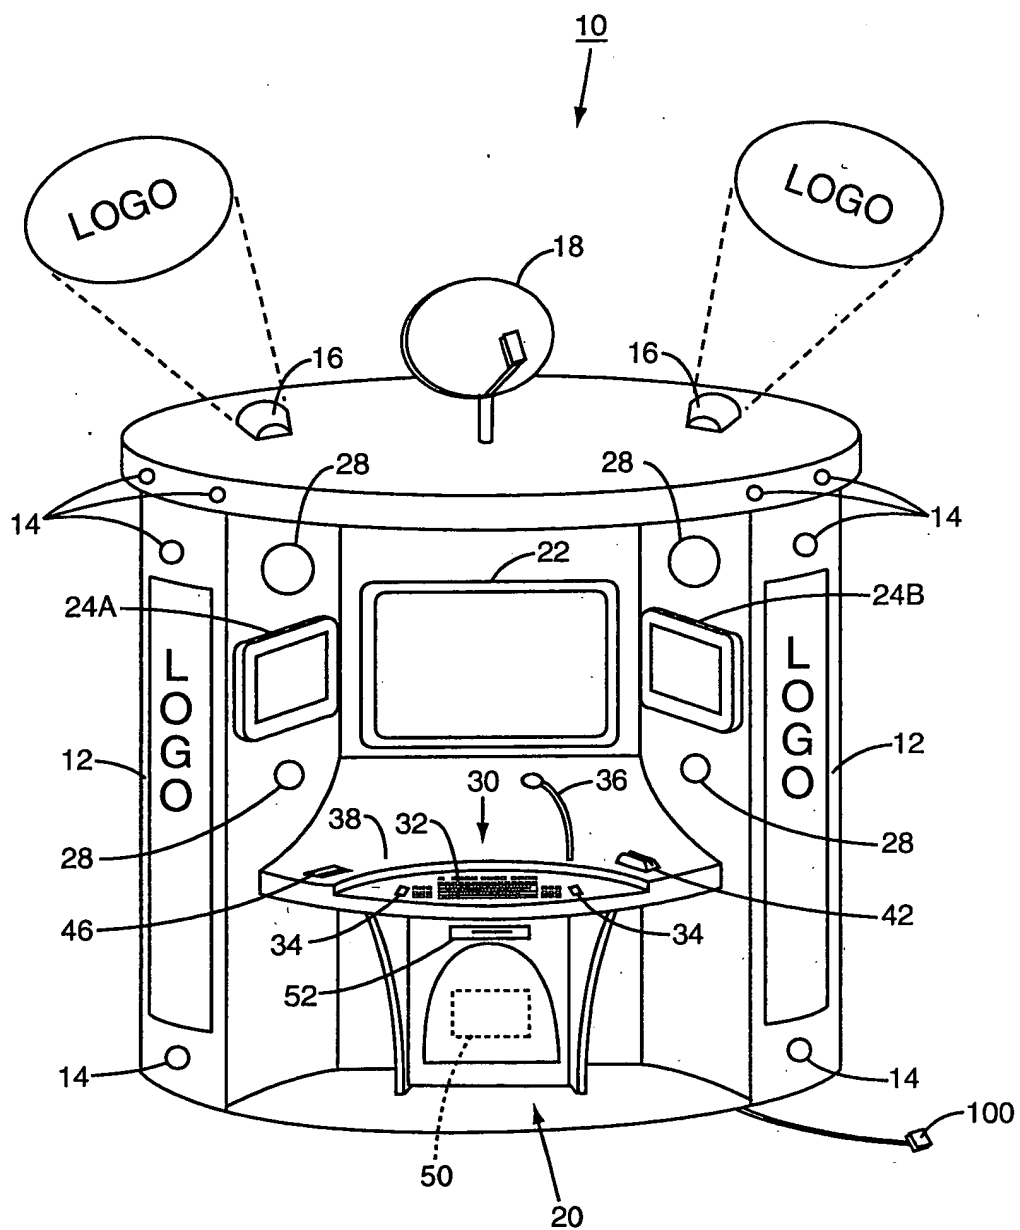

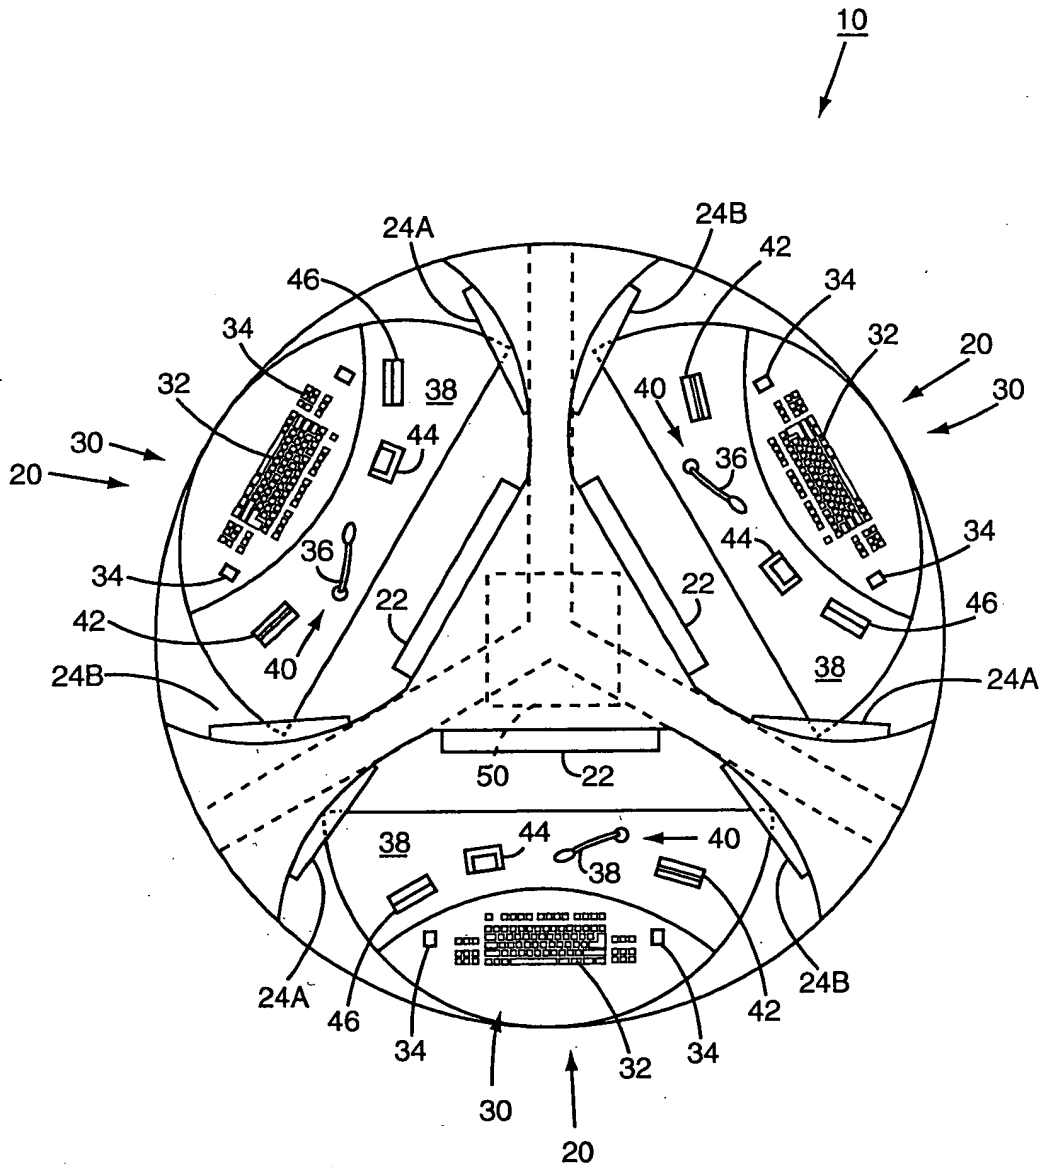

FIG. 1 is a perspective view of a kiosk 10. The kiosk 10 includes a main body 12, a top surface 14, and a base 20. The top surface 14 is circular and features a central display 22, two side displays 24A and 24B, and a central input device 28. The main body 12 is cylindrical and includes a large display 30, two side displays 32, and a central input device 34. The base 20 is rectangular and includes a large display 42, two side displays 44, and a central input device 46. The kiosk 10 is shown in a perspective view, with dashed lines indicating the internal components and the location of the displays and input devices.
